

LESSO

AC Charger

Features

- Home use with intelligent APP control
- High protection for complex environment
- Stream line design
- Smart charging and load balancing

Applications

- Home / Shopping mall / Public parking

Model	LSACS-C-32/220-A01	LSACS-C-32/220-A02
Rated power	7kW	
Output current	32A	
Voltage	220V	
Power supply	Single phase: L1、 N、 PE	
Start method	Swipe card	
Charging mode	Auto fill/on time	
Energy Meter	Onboard Metering,Accuracy level1.0	
Product size	287*176*85mm	
Protection grade	IP55	
Display Mode	LED	4:3 Display
Installation	Wall mounted/Floor mounted	
Flame Retardant Rating	UL94-V0	
Cable length	5m (customizable)	
Standard	GB/T20234.2-2015, GB/T18487.1-2015	
Temperature	-30°C ~ +85°C	
Humidity	≤90%	
Altitude	<2000m	

Remarks: specifications are subject to change without notice
